"My boyfriend's family has a summer home. That's where we shot these photos," Valery told us via email. "We had discussed having a romantic weekend with just the two of us, but we had to find a time when his cousins wouldn't be using the place. We eventually made it, and it was the first time we had ever spent two days with just the two of us."

"I felt a little silly about getting naked in the kitchen that my boyfriend's family uses for holidays, but I got over that feeling quickly when I saw how hard I was making him. I ended up having an orgasm right on the kitchen island. He was so sneaky when he suggested that I give him a striptease. He insisted on bringing his camera along. I thought he had it to shoot landscapes, not me!"

Don't Muffle That Muff!
"I am saving up money for an apartment. It's expensive, though! All I want is the freedom to have my boyfriend come over and fuck without the fear of being caught by my parents! I want to scream when I cum, but I can't!"

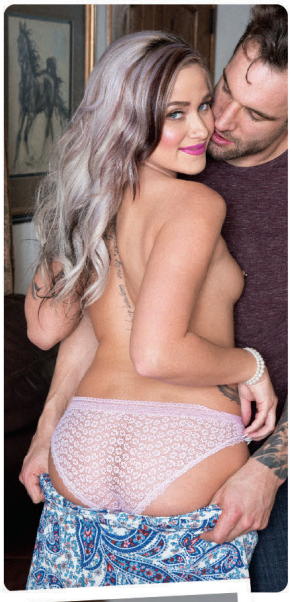
Born: June 4
Ht: 5'3"
Wt: 130 pounds
Bras: 34B
Panties: Cheeksters
Anal: No thanks
BJs: Usually swallow
Masturbate: Almost every day



Cedella has a punk rock vibe going on, and that look is accompanied by a "fuck it" attitude nine times out of ten. Cedella doesn't break that tradition. This is her first-ever porn shoot, and she insisted on making it hardcore. Why? "Because I want to make sure everybody sees it," she said.

It Ain't Stupid If It Works

"The cheesiest pickup line a guy ever used on me was, 'The only reason I'd kick you off of the bed is to do you on the floor.' I'm ashamed to say that it worked! I went home with that guy, and we totally screwed."

"My biggest fantasy has always been public sex. There's just something so fucking dirty about having a public hookup. It makes me wet just thinking about fucking on the beach or in a park or a classroom. I think that's why I chose to do porn. I find the idea of being on display the biggest turn-on. I want to put on a show for thousands of guys."

Meet Helen and Erin Star, sisters from Europe who recently shot for our flagship publication *SCORE*. Yeah, you read that right. Sisters! Helen (left in photo above) is the older one by a year, but they're both packing the kinds of big ol' titties that made *SCORE* famous. If this kind of familial porn thing excites you, you'll be chuffed to learn that we're flying Helen and Erin to the Dominican Republic for a dual set. Stay tuned!

DON'T BLAME BIRTH CONTROL

If your girlfriend is blaming those extra few pounds she picked up since you started dating on her birth control, let her know the science doesn't back that up! Dr. Nina Brochmann and her partner Ellen Stokken Dahl wrote in their new book The Wonder Down Under that pills have a reputation for making women fat, but the real cause of the chubbing is contentment. Women are putting on weight because they're in happy, settled relationships and can let themselves go a little.

QUICK JOKES

-What do you do when you come across an elephant in the jungle?
-Wipe it off and say you're sorry.

-Why did the sperm cross the road?
-Because I put on the wrong sock this morning.

-What do you do if your wife starts smoking?
-Slow down and apply lube.

-A woman walks into a bar and asks the bartender for a double entendre, so he gives it to her.

GET AWAY FROM IT ALL

Dear NN,

A few years back, my then-girlfriend and I were supposed to join some friends at an all-inclusive resort in the Bahamas over Christmas break. Our best friends found a great deal, and I was looking forward to bottomless margaritas and fresh-caught fish dinners. I even booked us a snorkeling trip and a couple's massage to get my girlfriend on board with not spending the holidays with her family in Chicago.

Two weeks before we were scheduled to leave, I found out that the woman I loved was in love with someone else. She had been fucking him for months. I was brokenhearted and empty-pocketed. She cleaned out our vacation funds and ditched me with two worthless tickets to the Bahamas.

"You can't bail on me," James, my best friend and confidant, told me over consolation beers. "The other couple going is fucking weird, dude," he continued supportively. "The resort is all-inclusive, meaning you can go and get drunk next to the ocean for less money than if you just stayed here in this bar. Everything there is already paid for. Don't waste your money."

He made a good point. One week later, I was sipping a bloody mary

Athena

Charleston, South Carolina

Professional assistant
Age: 20
Born: October 23
Ht: 5'8"
Wt: 125 pounds
Bras: 32D
Panties: Thongs
Anal: Not yet
BJs: I usually spit it on my tits
Masturbate: Frequently

Guys, we have an honest-to-goodness preacher's daughter here. Athena started fashion modeling at a young age, which introduced her to a whole new world. Now the homeschooled babe is exploring more about the world, which led her to our doorstep.

"I was a total goody-two-shoes until recently. I used to think that I would be happy waiting until marriage to have sex. I thought I would have three kids at a young age and be a stay-at-home mom. When I realized that life wasn't for me, I had to find out who I really am. For instance, I'm a bisexual, and I love having threesomes. Who knew?"

How Far She's Cum.
"I got my first creampie a few weeks ago. I just got on birth control for the first time, so I gave it a shot with a friend of mine. When he started to cum, I couldn't believe how intense it felt inside of me. I freaking loved it."

Jessica

Kiev, Ukraine

Student
Age: 19
Born: September 30
Ht: 5'4"
Wt: 115 pounds
Bras: 34C
Panties: Thongs
Anal: Licking only
BJs: Swallow
Masturbate: I'd rather have sex

We are the home of Bush Babies, so it's no secret that we love pubic hair. Sometimes, though, the Bush Babies can get a little too wild. That's why it's refreshing to see Jessica's fuzzy patch. You can still see her clit and pussy lips clearly through the hair, but it's enough of a mustache warmer to keep us happy and satisfied.

You Pick Things Up As You Go.
"I have only had sex with three men. Two of them were much older than me. They were in their forties. My first time was with a boy my age. He was awful! I wanted to find out if older men knew more about sex. They do!"

Vienna

Norman, Oklahoma

Smoothie maker
Age: 18
Born: May 13
Ht: 5'4"
Wt: 128 pounds
Bras: 36A
Panties: Usually boyshorts
Anal: It makes my pussy wet
BJs: Swallow
Masturbate: More than average

Cum-addicted goofball Vienna has returned for a solo photo shoot at the request of some of our online members. You may remember her from the May '18 issue where she sucked and fucked a guy until he nutted on her pretty, young-looking face. If not, check her out on our website ***NaughtyMag.com.***

We Want That Experience!
"A friend found my photos online. He asked me about them and I admitted that I'd done some modeling. He was totally cool with it! He wanted to know if I knew any pornstar tricks I could use on him."

Samantha

Des Moines, Iowa

Student
Age: 22
Born: November 28
Ht: 5'6"
Wt: 110 pounds

Bras: 32C
Panties: Usually none
Anal: I have to trust you
BJs: Swallow unless getting a facial
Masturbate: Daily

"I have yet to meet a man who doesn't become jealous," Samantha told us when we asked if she was single. "Like, every guy says that they're cool with me being a freak, but as soon as I tell them about a gangbang I went to, or a chick I fingered at the club, they freak out and get possessive. I don't have time for that negativity in my life. Ideally, I'd like to be part of a couple who could find other couples to swap with and organize sex parties, but that's really hard to find."

She's Like A Freakin' Superhero

"I have this special talent where I can think myself to orgasm. I have to be exceptionally turned on for it to work, but I can actually close my eyes and will my body to cum. Sometimes I'll do it during long flights when I'm bored and horny."

Candy

Moscow, Russia

Hotel clerk
Age: 19
Born: November 1
Ht: 5'4"
Wt: 128 pounds

Bras: 34C
Panties: Thongs
Anal: Only if it's slow
BJs: Swallow
Masturbate: Of course

BUSH Baby

Most of our Bush Babies come from the United Kingdom these days. That's more of a reflection of American women's grooming choices than it is a matter of convenience for us. It's still hard work finding European gals with fuzzy pussies, but it's slightly more common over there. It seems as though we've been stupid for not looking further east, however. If the stunningly beautiful and hairy Candy is an example of how Russian girls like their pubes, we'll be seeing a lot more of them in the magazine.

We don't have a Russian translator on staff, so we didn't get an opportunity to interview Candy, but we did suss out a bit of background information on her when we bought her photos. She works in a posh hotel that caters to rich businessmen. Yes, she has had sex with some of them. No, she can't divulge their names. She enjoys seeing live music, dancing and going to art shows.

No Need For A Trim!

Candy informed us that she's never shaved her cunt all the way. All of her friends have pussy hair, too, but hers is the thickest and longest. She only trims her thighs and scissor cuts her bush when her partners request it.

Kelsey

Winchester, Maryland

Entertainer
Age: 19
Born: January 3
Ht: 5'2"
Wt: 105 pounds
Bras: 32A
Panties: Depends on the outfit
Anal: Exit only!
BJs: Spit
Masturbate: Occasionally

If you're being honest with yourself, you've probably entertained the idea of dating a stripper or a pornstar, even if it was just a fantasy. But how many guys would honestly be cool with seeing their girl strip on stage or on-camera? Kelsey says her fiancé supports her decision to pose for us. Wait until he sees her fuck on our website!

Sure, That's Reasonable.
"When I told my guy that I wanted to make the jump from dancing to shooting porn, he told me that if I shot with other guys, I'd have to come home and fuck him right away afterward. He said that he wants to reclaim my pussy."

Lexi

Wt: 105 pounds	**Masturbate:** I love my vibrator

We teased you guys with Lexi's solo photos in the last issue. Now, it's time to show you how this brace-faced vegan fucks! "I was the quiet girl in high school. I always sat in the back of the class and never spoke up. I'll bet the jocks would be shocked to see me fucking a big-dicked porn stud for a magazine now! I guess even the shy girls are full of surprises."

Only One Way To Find Out!
"The kinds of porn that turn me on are also scary to me. I love watching girls get choked while they're pounded really hard. I'd like to try it, but I'm so small and tight, I'm scared that it would end up hurting me!"

LEXI
SEPTEMBER 2018

"I guess I'm your typical 19-year-old girl. I like gaming, social media, cooking, roller-skating and doing makeup. I was picked on as a kid, so I'm still very self-conscious. When I go out, I wear conservative cardigans and jeans, but I always have a face full of makeup. I'm hoping that shooting this porn will give me a big confidence boost!"

Sabina

Orlando, Florida

Vocal coach	**Bras:** 32C
Age: 20	**Panties:** I don't like them
Born: June 6	**Anal:** Only small toys and plugs
Ht: 5'4"	**BJs:** I'm not a cum fan
Wt: 100 pounds	**Masturbate:** Yes!

Ever since she was little, Sabina thought she was gay. She exclusively dated girls for the longest time. Then, some lucky motherfucker looked attractive to her, and now she's comfortably bisexual. "I still love women. They're so much more sensual than men, but guys are more aggressive and passionate when they fuck. I was once in a four-girl orgy, but it wasn't nearly as good as the girl-girl-boy threesome I had."

Dear God!
"The first time I had sex, it was in a church. It was actually the same church that kicked out my girlfriend for being gay. I made her cum while I ate her out, and then I rode her face on the altar."

Sabina is studying psychology and sociology in college, but she also has a hippie streak. "I practice herbalism and the healing powers of crystals. There are a lot of ways nature shows us how to be better, and I think a lot of people don't listen to those lessons. Look at animals. Most of them don't mate for life. They try to fuck one another all the time. That's a lesson we should all take from them."

We've always had a special place in our hearts for pale redheads. There's something about their alabaster skin, their fiery hair and their bright pink pussies that drives us wild. For all of you guys who love them, too, here's beautiful newcomer Jia.

Now That's A Sure Bet.
"I love teasing men with my sexuality. The other day, I was playing poker with my friends. To distract them, I 'accidentally' forgot to put away my dildo in the living room. All of the guys kept staring at it, and I won all of their money!"

on a puddle jumper making its way to one of those tiny green specks in the middle of a vast blue ocean. By noon, I was three beers deep, seated in a reclining deck chair adjacent to a crowded swimming pool, and I had grand plans of drowning my sorrow in a few piña coladas later in the afternoon.

"You're going to get sick if you keep drinking like that," I heard James' voice from over my shoulder, his body blocking my sun. "Aren't you going to do anything other than drink while you're here? You can go golfing with the rest of us. I'll pay for your rentals and greens fees."

"I'm good," I replied, tipping the last gulp of beer into my mouth. "I don't have the money to pay you back, and I want to stay close to my room in case I pass out."

"At least do one of those activities you already booked. Those are paid for, and It'll kill a couple of hours before dinner. You don't want to get sloppy drunk all day and then suffer through dinner with a bunch of boring, happy couples."

I knew James was right, but the thought of going snorkeling after so much drinking made me nauseous, so the only other excursion I had available was the couple's massage. I walked, stumbled, really, over to the check-in counter at the on-site spa. The manager was kind and understood my situation. "We already have the two girls here, sir. If you'd like, I can transfer your couple's massage credits and give you a two-girl massage for the same price," she explained. "Technically, we're not allowed to do that, but you seem like you could relax a little bit, and we're

supposed to do everything we can to ensure you have a great stay." I graciously accepted her offer and sat down in the waiting room.

After a couple of minutes, two of the most-gorgeous black girls I've ever seen walked up to me. They were dressed in identical white uniforms, starched and pressed, and they were smiling ear to ear. I felt my dick twitch in my pants at the thought of them touching me. Darcy was around 5'2" and had a perfect hourglass figure, plump and curvy. Anet was a bit taller and much skinnier, but she was packing what looked to be DD-cup tits underneath her uniform. They each grabbed one of my hands and led me down a hallway to the massage room, where they instructed me to strip down while they prepared the oils in the next room.

When they returned, I was face down on their padded table with a towel covering my ass. They wasted no time and began rubbing warmed oils on my shoulders and lower back. As they rubbed away, Darcy asked why I canceled my couple's massage. I explained to them why I was alone and they both cooed their apologies. Anet moved down to my legs and began to rub and knead my thighs, removing my towel, leaving me bare-assed. When her fingers approached my butt, my dick began to chub. I knew that lying on my stomach would present two options if I got a full hard-on, and I had to make a decision. Either I could direct my willy pointing upwards to my chest, or I could point it downwards towards my feet. I already had my legs spread, so I figured the downward option would be the most comfortable. I apologized to the both of them and adjusted myself as quickly as possible. Anet let out a giggle, and I probably would have, too, if I were in her situation. The view of a man's cock and balls peeking out from behind must have been a funny sight. "Don't worry, sir. That happens to a lot of men." Darcy must have been curious about the view, too, because she moved down to my side and began rubbing my other leg.

The sensation of having my lower half worked on by two beautiful women caused my flagpole to rise to

"Pretty much everything I do is because I'm rebelling against my parents," Paisley told us. "They think that just because they help me pay for school, they own me. I'm my own person, and I'm capable of making my own decisions."

Work With What You've Got!
"When I first started working at Hooters, my guy friends said I wouldn't get any tips because my tits are too small. When they came by to see me, I took off my panties and hiked my shorts up until I had a deep camel toe going on. It's not all about the tits!"

"I'm most satisfied by a guy going down on me until I cum. I've never had an orgasm through penetration, but I've come close before. It'll happen someday when I'm least expecting it, I'm sure. But if a guy can lick me and make me cum before he puts it in me, then I'm a happy camper. Don't get me wrong–sex feels great. I just have a hard time cumming from it."

Terri

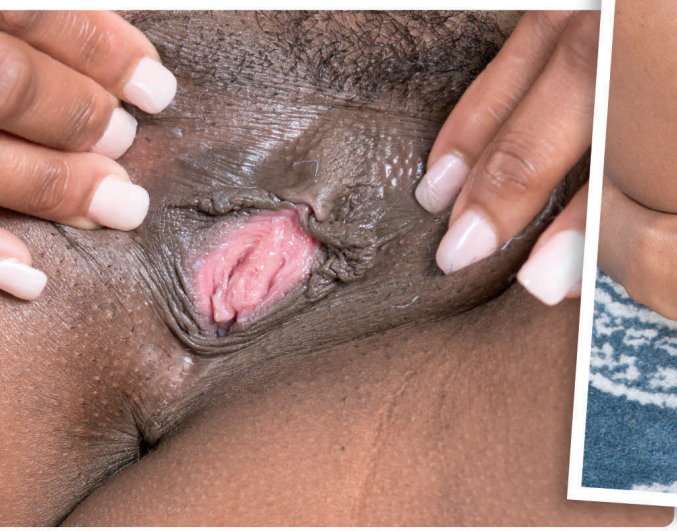
Age: 21	**Panties:** Cheeksters or nothing
Born: December 26	**Anal:** Why not?
Ht: 5'2"	**BJs:** Swallow
Wt: 112 pounds	**Masturbate:** Yes

Terri is very proud of the fact that she's a good fuck."That's what guys say," said this sexy A-cupper. "I certainly don't just lie there. I like to move my booty and work the guy's dick, whether I'm on top or under him or he's doing me from behind. Guys love it! There are, like, three guys who are getting some action from me right now. I don't want to steady-date any one of them. I'm having fun and getting all the sex I want. Life's real good right now. Why should I change anything?"



Plenty Of Options With Terri.
"Lick me till I cum, then do me two or three ways," she said. "I'll be moving a lot and working your cock till I get off again. I may even cum twice! If you don't cum with me, I'll probably let you screw my butt and deep-jizz me there."

Maddie is a fun-loving, spunky 20-year-old from Pittsburgh. She likes to play field hockey and she loves watching baseball. Her favorite team is the Pirates. Her favorite music genre is hip-hop, and she has a DJ turntable where she mixes her own grooves. If you think that all sounds like you'd have a good time with her, wait until you hear about her sexual proclivities.

You've Got To Take Control!

"I like to be tied up during intense sex. I love when a man takes control of me," Maddie told us. "I always put the guy's needs above my own. That's not to say I don't have fun. If I'm in the right head space, I can have three or four orgasms in a row."

"I'm a Harley Davidson freak," said Angela, our hot MILF of the issue. Angela likes to ride. "I like the vibration." Bikes aren't the only thing Angela likes to ride. "I love hopping on the back of a guy's chopper and holding on for the ride. The vibration and the bumps always get my pussy wet, and then when the ride is over, I'm ready to ride my man."

That's A Better Thing To Be.
"I love it when guys watch me have sex and masturbate. I like to please men. I get pleasure from giving pleasure. I certainly don't think of myself as a cock tease. I'm more of a cock pleaser!"

full staff. I knew my entire package was now on display to them. A second or two later, their hands began to work closer and closer to my exposed manhood. Each pass of their hands on my skin would inch nearer to the goal, eventually brushing the tip or the shaft, but they would always retreat. This edging sensation went on for the next ten minutes, and I was in heaven.

Eventually, they instructed me to turn over. As I flipped, I finally got to free my dick from that awkward position. I made eye contact with Darcy and she smiled. Anet began to rub my chest while Darcy worked my feet as they slowly made their way to the middle. Once there, the real magic

happened. All four of their hands began to rub and swirl on my groin area. My cock was red and twitching, begging for release. They circled my shaft and my balls, never fully touching either, but coming close. The heavenly teasing I felt initially had become almost hellish now. I was aching to cum. Finally, when I thought I couldn't take it any longer and I was going to have to jerk off right there in front of them, Anet wrapped her oiled hands around my cock. She looked at Darcy and nod-

ded, at which point Darcy also reached out and gripped me. They didn't pump my dick like a woman might if she were giving a regular handjob. Instead, they continued massaging. All four hands were moving in an orbital motion, softly and slowly. Darcy's hands made their way down to my balls and kept the sensual touching there, too. I let out a satisfied moan, but Anet quickly shushed me. "We can get in a lot of trouble for this, sir," she explained in a whisper. Her breath smelled like cinnamon. I kept my mouth shut.

Having four well-trained, well-oiled hands stroking me and caressing me was unlike anything I have ever felt. I couldn't believe how quickly my luck had changed. A double handjob from two model-beautiful island girls will cure any depression, I guarantee it. Anet moved down to take over the ball position, and Dani took her turn on my shaft. She was more uniform in her stroking, jacking me like a piston, but at the top of each stroke, she ran her slick palm on the underside of my bell end. It was phenomenal. After so much teasing, I couldn't hold off for any longer. I whispered that I was about to blow soon, and Anet quickly whipped off her shirt. Darcy picked up the rhythm and aimed my rod at her coworker's now exposed rack. Her brown skin and chocolate nipples awaited their coating of my sticky, white jizz. As I erupted in Darcy's hands, my head shot back and I tried to stifle any noise in my throat. Rope after colossal rope of cum landed on Anet's perfect rack, so much so that I took myself by surprise. Then I realized that since I had become single, I hadn't even made the time to jerk off.

After I caught my breath, the girls took me by the hand again and led me to a shower. We laughed and chatted as Anet cleaned my load off of her chest. "I have never done that before," she giggled. "I haven't either," Darcy chimed in. "But I'm happy that we made our guest feel more comfortable. That should help you get over your bitch ex!" She was right, of course. On my way out of the spa, I scrounged together the little bit of cash I had managed to bring with me and left it as a tip for my two Bahamian angels. Then I went to see if the guys were back from their round of golf. I was a new man. NN

Daisy is an odd bird. She's not the kind of girl you'd expect to find in our magazine. She wasn't sexually active for a long time. "When I lost my virginity, it was very uncomfortable. I didn't do it again for six years." Then there's her celebrity crush. "My sexual fantasy is fucking Seth MacFarlane, the creator of Family Guy. He's a hottie."

"A few months ago, I fucked a guy who was in cosplay. I didn't see what his face looked like at all, but he was dressed as one of my favorite comic book characters, so I took him back to my hotel room and did him. It was at Comic-Con."

Does Latex Come in 34 Long?

"I masturbate every day just to calm my nerves. I rarely watch porn, though. When I do, it's always super kinky shit. I have a thing for guys dressed up in latex, bowing down as slaves at the feet of a powerful woman."

"I know that I have an unusual relationship with sex. I'll go from being completely non-sexual to being a dick-crazed slut who has to fuck all the time. Maybe it's a hormone imbalance or something. Either way, I can't imagine that I'll be doing porn for very long. It is a lot of fun, though!"
